CONDITIONS OF SALE.

Please read Sale Terms Before Bidding.

This is a bona-fide public sale, for prompt cash settlement, and irresponsible persons who are not sure whether they can pay for what they bid on, are asked not to bid. The cataloguer has taken special pains to describe each lot accurately. Errors will be corrected, but he reserves the sole right to decide upon any claims. No corrections or refunds will be made, and no lots can be returned, unless the bidder submits his case in writing within 30 days of the date of the sale.

Coins and medals are sold at so much per PIECE, and no lot will be separated. You cannot buy a few pieces out of a lot but must buy all of it. The auctioneer will accept no bid under 10 cents to start a lot where that lot contains only one piece; nor will he accept any advance under 5c on any lot containing but one piece; after the price has reached \$2. no advance under 10c will be accepted on any lot containing one piece; after \$5.00 the bid must advance 25c each time; after \$10 no bid under 50c.

Our rules regarding lots containing more than one piece will remain unchanged and the same as before.

Auction sales are strictly for cash. Parties unknown to me and bidding for the first time, must give bank or other reliable reference, or their bids will not be executed.

Forward your bids as early as possible, as thousands of bids have to be entered. Do not make ridiculously low bids, such as 10c. and 15c. on foreign silver coins worth several times over as bullion. Write your bids plainly, with a pen if practicable.

Where the number of pieces in a lot is not given after the description there is but one piece in the lot.

Be sure you bid on the lot you wish to buy. We cannot correct such errors.

All coins, etc., are genuine unless otherwise described.

A charge of 5% will be made to cover packing but where the parcel is bulky an additional packing charge will be made. No charge made for bidding except for lots actually purchased. Remit by money order or New York draft.

If any further information is required as to valuation of lots, or how to bid, please write the cataloguer, THOMAS L. ELDER.

Important Notice. We keep two books of the sale recording each lot as sold, and we will not accept any sale records from outsiders. Our records are final.

STAMP COLLECTORS PLEASE READ.

Stamps are sold so much for each entire lot. Do not bid by the piece as in the case of coins.

All stamp collectors at the sale must expect to be called on for a cash deposit of from 25 to 40 % as lots are knocked down.

Lots are not returnable and no adjustments will be made after the lots leave the desk at the sale. The lots have been carefully listed and catalogued and we believe this collection presents the biggest lots of genuine stamps that have been offered in sometime, with many rare stamps listing from \$10 to \$50 Apiece. No stamps shown during the sale, or delivered during the sale. We will attempt to deliver lots after the first and second sessions of the sale are over, but local collectors, bidding in the room who will postpone their deliveries until Saturday, June 18th, the day after completion of the fourth day of this big sale will oblige us, as it will be found to be impossible to deliver lots on Thursday and Friday, on which day only coins and like lots will be offered and sold. Therefore either get deliveries made the days of the stamp sale, that is, on Tuesday and Wednesday, or if not then, then on Saturday morning following. Our sale records are final. We keep three books and will not accept the records of collectors attending the sale. Lots are sold as is. Don't miss these choice postage stamps!

COIN COLLECTORS PLEASE READ.

There are over two complete sessions of Coins and Paper Money in this sale.

The rules governing the coins, paper money, autographs, etc. in this sale will be the same as heretofore, that is Coins and paper money are sold so much per piece. If 10 pieces in a lot, and knocked down for \$1 the lot costs \$10. These items are never sold by the entire lot as are stamps.

Write Mr. Elder for estimate on any lot in this sale. A deposit of 25 % of the bids of a new bidder, sent by mail, will assure bids being executed. Reference must be given by new bidders. Not getting reference bids will not be executed received from persons unknown to us.

Our last sale of the season. Be sure and attend or send bids. No more Elder Sales until September next.

Lots not on approval and no returns will be allowed without permission from the cataloguers.

No corrections made after deliveries are made at the desk and coins are removed. Check up on deliveries at the time made.
